

Dear Family & Friends of Vine of Grace

Only 12 weeks left before we leave on our 2012 Africa Missions Trip and

YOUR SUPPORT WILL HELP US REACH OUR GOALS!

JOIN US IN FIGHTING MALARIA

Please help us distribute bed nets & **SAVE LIVES!**

Malaria NETS are the most cost-effective method for preventing malaria! Shelter is a fundamental human right and everyone deserves a net, and a chance at life.

One of the largest killers of children in Africa - Malaria - can be caught but only if we get involved. Malaria kills more than one million people each year. Every 45 seconds a child in Africa dies of this preventable and treatable disease. Malaria can be eliminated with the right tools: prevention, treatment, education and communication

Help us provide long-lasting bed nets that will protect an entire family from this deadly disease. These nets can be used for approximately four years! Your gift can provide us the opportunity to purchase these life saving mosquito nets when we are in Tanzania. We can provide prevention education with every bed net distributed!

The Lord has put it on my heart to provide financial assistance and blessing to the following charities:

The Uzima Center - A Maryknoll Missionary project supporting women and children with HIV/Aids by providing hope, compassion, medication and education

Catholic Relief Services – Water & sanitation needs/projects

Catholic Charismatic Renewal – Evangelization programs

Thank you for helping me to return to Tanzania this summer. There are 5 of us on the mission team and we will travel between July 11 – August 7th. Please keep us in prayer!

Your donation today is tax deductible. Vine of Grace is a 501 c 3 organization!

Please forward this to family & friends with a heart for mission!

THANK YOU TO ALL OF YOU WHO HAVE ALREADY BLESSED THIS MISSION EFFORT WITH A FINANCIAL GIFT!

Prov. 22:9

Happy is the generous man, the one who feeds the poor.

GOD BLESS YOU & YOUR FAMILY!

*Erin Blanchette
