God is working in every aspect of our spiritual lives. Learning to recognize His voice is a process of growing in faith, experience, and recognition over time. It all begins with a daily choice to seek God, to be still, and to listen for His voice. If you want to hear the heart of God, silence is key. If you want the Spirit of God to fill you, be still. The Scriptures are filled with prayers, songs, stories, and miracles that demonstrate God's power and show his desire to communicate, personally, with each of us! Come and discover how to hear His voice! Come and receive the healing touch of Jesus and a fresh touch of the Holy Spirit! Invite a friend to join you!
